

## FOURTH GRADE SUPPLY LIST

Please check off each item below as you purchase it and send the list in with your child's items on the first day of school.

Amount	Item		Check off
3	Folders with pockets		
1	1-Subject wide ruled notebook		
1	Hard-sided pencil/supply box *Bolded items below should fit inside*		
<b>1</b>	<b>Pair of Scissors</b>		
<b>1</b>	<b>Box of coloring supplies (markers, colored pencils, or crayons)</b>		
<b>2</b>	<b>Block erasers or a few eraser caps</b>		
<b>1</b>	<b>Box of yellow pencils (At least 5 pencils should be sharpened before the first day of school.)</b>		
at least 2	Boxes of tissues		
at least 2	Packages of baby wipes (Please, avoid purchasing scented and antibacterial wipes. We use these on our whiteboards and many of the more fancy wipes leave streaks and residue on the board.)		
Optional	STEAM material of your choice (be creative, but some ideas include toothpicks, popsicle sticks, string, magnets, cardboard rolls, cardstock, paper or plastic cups of any size, etc)		

Please, remember that throughout the year supplies may get worn down or lost. They may need to be restocked one or more times throughout the year. This typically happens between December and February (varying a bit year to year and student to student). It may be a good idea to purchase extra supplies over the summer if the sales are good and store them until they are needed mid-year.

Have a Great Summer!
